**2022-2023 ALTERNATIVE TRANSPORTATION REQUEST**

Region 15 provides transportation for your child from your home to and from school. In some instances, however, we recognize that parents may desire to have a child picked up and dropped off at a babysitter or a day care facility. Although it is not the responsibility of Region 15 to provide this transportation, if the babysitter or day care facility is within the attendance area of the elementary school and transportation can be arranged at no additional cost to the district, we will attempt to accommodate your transportation request. **This change must be for 5 days a week and must be requested each year.**

If you wish to have your child picked up or dropped off somewhere other than your home, please complete the form below and return it to the school office as soon as possible so we may plan our bus routes. Once the bus routes are finalized, it may be impossible for us to make changes. If you have not confirmed your day care arrangements for next year but are considering alternative transportation, please notify the school office ([PESooffice@region15.org](mailto:PESooffice@region15.org) or 203-264-8283) so we are aware of a possible change.

**PLEASE RETURN THIS COMPLETED FORM TO [PESooffice@region15.org](mailto:PESooffice@region15.org)**
